

Chris Schupp
Executive Managing Director

“With a high profile and visible organization such as a chamber of commerce, we had the choice of retaining the top real estate talent in the DFW area to assist with our relocation. Our facility committee decided early on that it was extremely important for us to retain a brokerage company that would remain neutral due to the political nature of our organization.

Chris Schupp of NAI Robert Lynn was selected due to his reputation, successful track record, expertise and willingness to assist us with the entire relocation process. Chris did an excellent job during the entire negotiation process and provided much needed guidance throughout the space planning and construction process for our new offices and marketing center.

Today we are proud to be a tenant in Williams Square; one of the finest Class A buildings in the DFW Metroplex and at a below market rental rate that will save us thousands of dollars over the term of our lease.”
